

**December 2, 2020**

To our FYLC Winnipeg Families,

It is with a heavy heart that we share this news. We have made the incredibly difficult decision to permanently close our FYLC Winnipeg Street daycare center. This location will permanently close at the end of day **Thursday, December 31, 2020**.

We cannot emphasize enough how much we appreciate our educators, children, families, and relationships that have made this centre a great place to work, and space for the children learn and develop.

We are doing everything we can to ensure a smooth transition for you, educators, children, and families. Should you have any further question, please feel free to contact us at [board@firstyearslearningcenter.com](mailto:board@firstyearslearningcenter.com).
